## President's Message

With a sudden sharp drop in temperatures, it brings to mind that Thanksgiving is just around the corner. We have many reasons to be thankful. As we remember all the recipients of grants from the Azalea Garden Tour, we are grateful for all the efforts of the Garden Tour Committee and all members of the club for making the tour so successful. We are grateful for our very hard working Civic Improvements Committee and their efforts in selecting homes and businesses worthy of displaying the beautiful signs. We are grateful for the continued efforts of the Battery Island Committee in clearing debris and replanting appropriate plant material on the island to enhance our continued enjoyment of this nesting site. We are thankful for our very creative Flower Arranging Committee already hard at work to bring us another beautifully decorated home for our annual Christmas Tea. We are thankful for our newly formed committee reviewing our yearbook and by-laws to bring us an even better yearbook next year. We are thankful for our Birds and Butterflies Committee already making plans for another bluebird trail. We are thankful for our Awards Committee striving hard to bring honor to the work done by all the various committees. We are thankful for our Youth Gardener Committee for instilling in young people at an early age the values of gardening. This list could go on and on, as our club is truly a club for which to be thankful.

Please review our new guidelines for Associate and Emeritus membership. If you would like to change your membership status, please forward a request to me.

Have a Happy Thanksgiving Holiday.

- **Becky Phillips, president**

Look for pictures of each winner on the CFGC Civic Improvements Facebook page!

- **Battery Island Committee** made two trips to the island during October. Emily Beddoes took charge of the plantings of the Yaupon hollies on October 21. On October 31, Ann Lawhon, Cheryll Schramm, and Melinda Stewart, along with help from the Audubon crew got the hollies staked and wrapped with wire to protect them through the winter. One the second trip we were treated to dolphins along side the boat, and a darling little black furry rat called the hispid cotton rat that we almost stepped on. Many thanks to all who helped including Coastal Biologist, Lindsay Addison's parents who were along to give Emily a hand on the 21st.
- **Garden Therapy Committee** will meet on December 5 at 1:15 at Elderhaus. Linda Renzaglia, Lola Rivenbark, and Alida Gresham will present the craft. Hope to see everyone there.
- **Flower Arranging Committee:** This year's Christmas Tea is destined to be one of our very best! There will be at least 25 areas to decorate and for the entire club to enjoy. We need every member of our committee to help if possible. After our meeting on November 7th at Wanda Copley's home, please email me a brief description of the way you plan to decorate your 'spot'. (mosweeny@aol.com) I would like to have your email no later than Monday, November 14. Also, please submit your flower order for Christmas Tea decorations to me no later than November 18, by email or telephone (910) 617-7687. All flowers must be picked up from my home 311 Summer Rest Road on Monday, December 5th between Noon and 2:00 pm., or Tuesday AM between 9:00 and 11:00 AM. We will begin decorating on Wednesday, December 8th at 9:30 AM and need to be finished no later than 4:00 PM. - **Birds and Butterflies Committee:** CFGC Members previewed the location of the new bluebird trail at Laney High School on November 7. The site was preapproved for the 6 posts, and Deborah Gill, the Science teacher at Laney, toured the trail with us. This will be the third Bluebird Trail in New Hanover County sponsored by the B&B Committee. We are looking to install the trail in early January 2012. Nancy Fitzgerald and Ann Grose, Co-chairs.
- **The Conservation Committee** had a very successful "Save with Wave" bus ride and visit to the Latimer House with lunch in the tea room. 18 club members attended. We especially wish to thank Linda Snider for the Latimer House and lunch arrangements, Carole Ellis for the bus arrangements, and Janet Warren for bringing club greetings to the Latimer House for us. Becky Varner and Alma Moore
- **Garden Tour Committee:** The garden owners have now received their 10 complimentary azaleas from Encore Azaleas that were delivered to Airlie Gardens on October 20th. Everyone had a great time. Two television stations were present for the event thanks to Lori Harris and Millie Maready took other pictures. The next couple of months will be spent working on the Azalea Tour Ticket information and creating a map. Thanks to Marie Ashworth and Karen Root the garden descriptions are finished. In January, it will be time to sign up to sit in the gardens and recruit our lovely Azalea Belles!
