The Care and Keeping of Beautification

Wilmington, North Carolina: The Civic Improvements Committee of the Cape Fear Garden Club has announced three winners for the first ever ***“Beauty Spot Outstanding Landscape Award”***. Carrabba’s Restaurant on Market Street was selected in the business category, The Village at Mott’s Landing on Sanders Road was the Neighborhood Entrance winner, and Joseph Pawlik was the residential winner for his home property at 302 S Second Street. Winners were selected from a pool of nominations for significant and attractive landscaping along street fronts of greater Wilmington.

Each winner will be officially recognized on Thursday, November 3 between 3-5 pm during a brief presentation at each site. A beautiful Beauty Spot sign will be placed during the presentation within their landscaping and remain for the duration of the fall season.
