All members and guests are expected to wear a mask indoors (we will provide one if you forget). Please take the mask off **ONLY** when you are eating, then put it back on as soon as you finish. Thank you.

Speaker is David Brenner of Wilmington Green and Wilmington Community Gardens. He started Willowdale Urban Garden which has been a focal point for our Edible Gardening Committee.

Dear Cape Fear Garden Club Member,

Welcome Fall and all of the Cape Fear Garden Club Members!

With the cooler temperatures, we will have renewed energy to do our fall plantings and plantings for late fall and winter gardens. Enjoy, enjoy!

I'm so looking forward to seeing all of you soon and hoping we can get back to doing our good work. Plans are underway for our submitting award applications for work done by our committees despite the Pandemic (Dec. 1), traditional Christmas Tea (Dec. 2), and Azalea Garden Tour (April) in the spring.

Let's plant those seeds of fun to be had together.

Yours in the garden,

*Linda*
