

The Cape Fear Garden Club, Inc.

2024 - 2025 Department & Committee Selection and Contact Update

According to the by-laws, each active member of the Cape Fear Garden Club is to select the department(s) or committee(s) on which to serve. If the member does not choose a committee or department, one may be assigned. Associate and Emeritus members are encouraged to select a committee(s) but it is not a requirement.

Associate and Emeritus members who are NOT signing up for a committee should complete this form if there are any changes to their contact information.

IMPORTANT: You must complete this form to advise the Yearbook Committee of your committee choices for next year. Your current year selections will not be retained.

This form should be turned in at the April or May meeting or emailed to Eileen Haley... eileenhaleync@gmail.com

Please select the *committee(s) and/or sub-committees you will be on next year, even if there is no change from this year. Appointed committees are not listed, please indicate any on which you have agreed to serve below.*
