The Cape Fear Garden Club is pleased to announce this year's fundraising event held to support the club's upcoming beautification projects. Since 1925 the CFGC has been working to enhance and support the natural beauty of our esteemed city of Wilmington. We are proud of this legacy and seek your support so that we may continue this endeavor.

This year, our fundraiser will be "Let's Go to the Hop," an event that will have dancers rocking the night away to 50's and 60's tunes spun by DJ, Robert "The Music Man" Griggs. Complimenting this entertainment, will be food provided by Middle of the Island Catering and beverages offered at a full cash bar. In addition, there will be a silent auction and various raffles including a 50/50 chance venture.

Your support in this event would be greatly appreciated. Your financial gift will make a huge impact, and in recognition of your generosity, you and other sponsors will be acknowledged in our club newsletter, website, and other media materials.
